Carefully read the description of the award and scholarship – this will indicate the criteria upon which adjudication is based. If the award and scholarship description has clearly stated criteria, your application should be tailored to the criteria as specified. If the description does not have clearly stated criteria, your application should focus on interpersonal skills, contributions to the MOT program (with examples) and contributions to the professions (with examples). However, you must ensure that each application is unique and does not simply repeat information provided in other applications.
